

1 I want to announce also that there will be a
2 meeting of the chairmen of all committees in my office
3 immediately following the close of this session.

4 One other announcement by me has to do with
5 the parking lot. We have received urgent requests from
6 the persons having charge of the parking lot to confine
7 our use of it to the area set apart for us. In the large
8 parking lot, which is designated for our use, there is a
9 rope which separates approximately 40 or 50 spaces, I
10 believe. These have been assigned to the Governor's
11 Staff. A number of you weren't aware of this and parked
12 in those areas today. When you park on the lot, please do
13 not go behind the roped-off area, which purposely has
14 been made at the back end of the lot. I am not sure of
15 my directions, but that is the north end, I assume. Some
16 of you who are more familiar with Annapolis can correct me
17 if I am wrong.

18 I think they are all the announcements I have.
19 I would like now to call on each of the committee chair-
20 men for any announcements he may make. The Committee on
21 Calendar and Agenda, Delegate Powers.
