

1 DELEGATE KIEFER: Mr. Chairman, Delegate Beach-
2 ley is very much upset because she inadvertently voted the
3 wrong way. (Laughter.)

4 THE CHAIRMAN: Will you state for the record
5 what happened?

6 DELEGATE BEACHLEY: I cast my vote against the
7 committee recommendation. I don't know -- I guess I was up
8 here talking -- but I am for the committee recommendation.

9 THE CHAIRMAN: The journal clerk will correct
10 the record.

11 There having been 12 votes in the affirmative
12 and 92 in the negative, the amendment fails.

13 DELEGATE L. TAYLOR: Delegate Hardwicke
14 said the amendment included the first section of the
15 old Constitution stating that all true power originates
16 in the people, and of course, at this time, this particular
17 phrase is included in the preamble; and I wonder if the
18 amendment to make this a first part of the Constitution will
19 be in order when the time arises.

20 THE CHAIRMAN: I am sorry, if I understand you,
21 Delegate Taylor, I think you misunderstood Delegate Hardwicke.
