

1 amendment to Amendment 3?

2 DELEGATE STORM: Mr. Chairman, if it is in
3 order, I would like to wait until a vote is taken on
4 Amendment 3. I don't want to lose them any votes by
5 putting any amendment in.

6 THE CHAIRMAN: I think it would be too late.
7 We are ready to vote on Amendment 3. You would have to
8 submit your amendment at this point.

9 DELEGATE STORM: I will submit it, then.

10 THE CHAIRMAN: Will the pages please distribute
11 Amendment ZE.

12 Delegate Storm, I think the Chair is perhaps
13 hyper-technical in that ruling. I made it because the
14 way in which you asked your amendment, it would substi-
15 tute some language in the amendment, but your wording
16 would add the word "sex" to the amendment, I take it, and
17 giving regard to substance rather than to form, the
18 Chair would advise you that if you desire, this would be
19 submitted after Amendment 3, if Amendment 3 is adopted.

20 If Amendment 3 is not adopted, I assume you
21 would not offer your amendment.
