

1 DELEGATE WILLONER: I think I could, Mr.
2 Chairman.

3 The report that was filed with the Minority
4 Report uses the language of the draft, and the report that
5 supports that is essentially reporting language of the
6 draft.

7 We had difficulty with that language because
8 nobody did know what it meant. We do state it because that
9 is exactly what the courts have said is the area discrimi-
10 nation is protected against, and that is all it says.
11 It is the state action as interpreted by the Supreme Court
12 and other Federal courts, and so that there isn't any
13 misunderstanding despite what some delegates have said,
14 we had no Constitutional lawyer comment that they didn't
15 understand what state action meant.

16 THE CHAIRMAN: Very well.

17 Would you ring the quorum bell?

18 The question arises on the adoption of
19 Amendment Number 3. This does not include Delegate Storm's
20 amendment adding the word "sex". That will be submitted
21 to you afterwards if this amendment passes.
