

1           It is true I have said, no persons, meaning all  
2 persons, However, I do believe this does lead to some  
3 situations which are somewhat distinct and different from  
4 the question of race, and we have great doubt in that.

5           THE CHAIRMAN: Any delegate desire to speak in  
6 favor of the amendment?

7           Delegate Bamberger?

8           DELEGATE BAMBERGER: Mr. Chairman, I would respect-  
9 fully request Delegate Storm to withdraw this amendment  
10 until we have some opportunity to have explained to us  
11 more fully its effects.

12           I think as the Chair has suggested, that  
13 including this in the Constitution would raise some serious  
14 question about the validity of laws which establish different  
15 regulations, in employment for women, as to the validity  
16 of laws which allow alimony for female spouses, and not  
17 male spouses, and in several other respects.

18           I do not know that it has ever been included  
19 in any of the state Constitutions. I am sorry I cannot  
20 recite all of the problems it raises, but if you will  
21 take my assurance, that it raises some very serious
