

1 DELEGATE WEIDEMEYER: I think it would. And
2 if they couldn't do their condemning in three years, they
3 can come back to the legislature and give an extension
4 of authority.

5 I don't think the legislature if they
6 wanted them would object to granting them an authority
7 if they showed a reasonable basis for the extension.

8 DELEGATE CLARK: The Chair recognizes Delegate
9 White.

10 DELEGATE WHITE: Delegate Weidemeyer, I appreciate
11 the help that you gave me when I was on the stand the
12 other day and I appreciate your very keen concern about
13 the possible anti-social behavior which a private sector
14 of our society might impose upon our citizens in the
15 acquisition of land.

16 I am trying to find a way to vote for your
17 proposal and I am wondering if you would accept an amend-
18 ment.

19 The amendment which I would propose to offer if
20 I can get the right words would require that these private
21 firms should be restricted from practicing discrimination.
