

1 That is a little different situation than
2 what we have set forth. Ours is a question of damages
3 where there is no actual taking. What you cited to me is
4 resulting damage from an actual taking.

5 DELEGATE CLARK: Delegate Gilchrist.

6 DELEGATE GILCHRIST: The question, as I asked
7 it, was whether this would apply if that power line
8 were across the street from you, not on your property
9 or somewhere else.

10 DELEGATE CLARK: Delegate Weidemeyer.

11 DELEGATE WEIDEMEYER: Then it would be a ques-
12 tion of whether your property was actually damaged or
13 not.

14 DELEGATE CLARK: Delegate Gilchrist.

15 DELEGATE GILCHRIST: Is there any way telling
16 where the line falls between the power line which is
17 150 yards away and the bridge which you are talking about
18 which is across the street?

19 DELEGATE CLARK: Delegate Weidemeyer.

20 DELEGATE WEIDEMEYER: I would say those are
21 all questions of fact. One thing, one installation
