

1           This wording in here to my way of thinking would  
2 prohibit that and I asked Delegate Bothe if she did not  
3 agree.

4           DELEGATE BOTHE: Oh, if you are saying that this  
5 would prohibit the General Assembly or any employer from  
6 saying that he will not allow his employees to organize and  
7 that he will not bargain collectively with him, of course  
8 it would.

9           THE HHAIRMAN: Any other questions?

10          Delegate Dukes.

11          DELEGATE DUKES: Delegate Bothe, my question goes,  
12 I guess, right to your last answer.

13          Do I understand that this would create some  
14 sort of implied constitutional obligation on the  
15 employer to listen?

16          THE CHAIRMAN: Delegate Bothe.

17          DELEGATE BOTHE: I would say so.

18          I do not know how far your question is meant  
19 to extend.

20          DELEGATE DUKES: Let me take a specific illus-  
21 tration you gave a few moments ago.
