

1 with Mr. Willoner, I voted against the Scanlan amendment,
2 I voted with the Clagett amendment, and with the Kiefer
3 amendment. I trust I will be welcomed back into the
4 kingdom.

5 DELEGATE CLARK: Delegate Wagandt.

6 DELEGATE WAGANDT: A point of parliamentary
7 inquiry, a reference to Section 7 as it now reads, is
8 law to be interpreted as a public general law?

9 DELEGATE CLARK: Delegate Kiefer.

10 DELEGATE KIEFER: I don't know, the last time
11 I got into that it was like a bird caught in a badminton
12 game, it was interesting but my tail feathers got ruffled.
13 I don't know how to answer that.

14 DELEGATE WAGANDT: I would offer an amendment
15 to have this read "Public General Law".

16 DELEGATE CLARK: Delegate Clagett.

17 DELEGATE CLAGETT: Mr. Chairman, I don't think
18 there is any question but as previously written Section 7
19 would be subject to Section 7.06 as previously recommended
20 by the Committee on Local Government and adopted by this
21 Committee of the whole would mean by general law.
