

Investigation Committee, Senator Edward T. Hall, a member of the Legislative Liaison Committee for the General Assembly, and Mr. Jerome Framptom, Jr., President of the State Board of Education.

THE PRESIDENT: Delegate Kiefer?

DELEGATE KIEFER: Mr. President, the Committee on Personal Rights and the Preamble will continue its hearings on the questions involving due process and equal protection. Tomorrow morning we have the honor of having with us Mr. Jack Greenberg, from New York City, who is a very well-known constitutional lawyer and who has argued many cases before the Supreme Court. He is actually General Counsel to the NAACP Legal Defense Educational Fund. As I say, he has appeared many times before the Supreme Court. We welcome anybody who would like to hear him.

THE PRESIDENT: Delegate Mudd?

DELEGATE MUDD: Mr. President, the Committee on the Judicial Branch will meet again immediately following this session. We had today a meeting at 1:00 P.M. with the clerks of the courts of the State of Maryland, and I am happy to report at the roll call that all of my members apparently returned unharmed; so I therefore hope all will be here assembled after this hearing.

Tomorrow morning, we continue on Delegate Proposals 81, 105 and 107, which have been referred to our committee. For the information of those delegates who may not be entirely familiar with Delegate Proposal 81, introduced by Delegate Scanlan and Bamburger, I might inform the delegates that that proposal has been characterized as the proposal to reduce the scope and length of the judiciary article from the conventional length of the judicial rule to administrative level, so it may be an interesting hearing tomorrow.

THE PRESIDENT: Delegate Sherbow?

DELEGATE SHERBOW: Mr. President, the Committee on State Finance and Taxation will meet immediately after this hearing. We have scheduled hearings constantly from now on on proposals that have been referred to this committee, and we are notifying the sponsors so that they will be able to appear and present their views. We are also posting these as fast as we can so that the public will have knowledge of these particular areas.

I would like once again to remind those who are interested in two subjects which have a general public interest, that the dates for the lottery hearing and the dates

for the hearing on the agricultural assessment have been posted; and if anybody is interested, will they please write to the committee so we will know how to handle the session on those days?

THE PRESIDENT: Are there any further announcements by committee chairmen? Delegate Boyer?

DELEGATE BOYER: Mr. President, the Committee on General Provisions will meet this evening at 8:00 P.M. and hear Dr. Harold Reese, State Department of Education, at 8:00 P.M.; Father Sellinger, Loyola College, 8:30 P.M. The schedule shows a hearing tomorrow evening at 7:00 P.M. I want to announce that this has been cancelled, and will be scheduled at another time.

THE PRESIDENT: Are there any further announcements by committee chairmen? Delegate Scanlan?

DELEGATE SCANLAN: Mr. President, the Committee on Rules will meet at 12:00 noon tomorrow to consider Resolution No. 8, a proposal that would limit the time within which delegate proposals would have to be introduced; and Resolution No. 9, a proposal that would not require a committee to give notice and an opportunity for hearing with respect to any delegate proposal introduced after October 23. All the delegates having an interest in this matter are invited. A special invitation is extended to Delegate Finch.

THE PRESIDENT: Are there any further announcements by committee chairmen? Delegate Beall?
