

then when Committee Recommendation R&P-1 is submitted for approval by the Committee of the Whole, you may have the floor and you are allowed three minutes on any one speech. You can talk about section 1 or any other section. Delegate Bennett.

DELEGATE BENNETT: That is the point I am getting at. You are allowed only three minutes then?

THE PRESIDENT: Each speaker is allowed three minutes per speech.

Are there any further questions? Is there any discussion? Delegate Willoner.

DELEGATE WILLONER: Mr. Chairman, in handling these sections, are we going to vote on each section or as in the past take each section up seriatim and then vote on the whole proposal as amended?

THE PRESIDENT: Each section is considered seriatim for purposes of amendment. After that, the entire recommendation, as it may or may not be amended, is submitted for approval. If any delegate wants to vote separately on a particular section, I assume he would, if he opposes it, offer an amendment to delete it in which event you would be debating that one section.

The assumption behind this thinking on the debate schedule is that if there is no amendment to delete a section, this would seem to indicate that the Committee of the Whole is in favor of the section.

Is there any further discussion? The question arises on the adoption of the motion to adopt Debate Schedules 10 and 11.

All those in favor, signify by saying Aye; contrary, No. The Ayes have it. It is so ordered.

Are there any motions or resolutions?

(There was no response.)

The Chair recognizes Delegate Powers.

DELEGATE POWERS: Mr. President, I move the Convention resolve itself into the Committee of the Whole for the purpose of resuming consideration of the general orders of the day.

(The motion was duly seconded.)

THE PRESIDENT: Second.

All those in favor, signify by saying Aye; contrary, No. The Ayes have it. It is so ordered.

(Whereupon, at 2:45 P.M. the Convention resolved itself into the Committee of the Whole.)

(The mace was removed by the Sergeant-at-Arms.)

COMMITTEE OF THE WHOLE

DECEMBER 7, 1967—2:45 P.M.

PRESIDENT H. VERNON ENEY,
PRESIDING

THE CHAIRMAN: The Committee of the Whole will please come to order.

The Committee of the Whole will resume consideration of Committee Recommendation S&E-2. We were on section 2.

Delegate Chabot, the Chair assumes you do not want to offer your amendment U nor your amendment V?

DELEGATE CHABOT: That is correct.

THE CHAIRMAN: The Chair has no other amendments to section 2. Are there any other amendments to section 2? The Chair hears none. We will revert to consideration of section 1. The Chair recognizes Delegate Case for the purpose of moving for reconsideration of some matter in connection with section 1.

DELEGATE CASE: Mr. Chairman, I move that the Committee of the Whole reconsider the vote which was taken last night on the amendment proposed by Delegate James and which was calendared as Amendment No. 5.

(The motion was duly seconded.)

THE CHAIRMAN: Delegate Case moves for reconsideration of the vote by which Amendment No. 5 to section 1 was rejected. Is there a second?

(The motion was duly seconded.)

THE CHAIRMAN: The motion having been seconded, the Chair recognizes Delegate Case to speak to the motion.

DELEGATE CASE: Mr. Chairman, ladies and gentlemen of the Committee of the Whole: Let me hasten to add that I am not a devotee of motions to reconsider, but the vote on this particular amendment came late last night and since there was that factor which caused fatigue in most of us, certainly the speaker, and some mechanical difficulty with the equipment, this led me to believe that the amendment
