

DELEGATE MORGAN: Mr. President, the Committee on the Executive Branch will not meet this afternoon. Tomorrow morning at 10:45 A.M. we will have as a witness former Governor Driscoll of New Jersey. Governor Driscoll is also president of the National Municipal League.

After we have concluded with Governor Driscoll, we expect to start the decision stage of our undertaking. I hope that will be starting tomorrow afternoon.

THE PRESIDENT: Delegate Mudd.

DELEGATE MUDD: Mr. President, the Committee on Judicial Branch will meet again at 3:00 P.M. immediately following the conclusion of this session at which time we will consider Delegate Proposal No. 262, introduced by Delegate Carson and having to do with the office of sheriff. We will also pursue that subject further this afternoon by at the same time considering Delegate Proposal No. 262 and 290. Tomorrow morning we resume hearing witnesses and have the privilege of hearing from Vice-President James at 10:00 A.M., Executive Director Karlen of the Institute of Judicial Administration at 10:30 A.M., Honorable Perry Bowen of the Prince Frederick Circuit Court at 11:30 A.M.

At this time, Mr. President, I would like to remind the delegates that the Convention's Committee on the Judicial Branch is making a final effort to have the benefit of the views of all witnesses who might like to appear before this committee at a public hearing to be held next Monday evening at 7:30 P.M. in the Shaw House. We are advertising this meeting in the newspapers and via radio but I take this opportunity to invite any delegates who might wish to appear before the Committee on the Judicial Branch who have not yet been extended an invitation or who have not communicated his or her desire to us, and if the delegates have constituents who wish to be heard before the Committee on Judicial Branch, we welcome them at the public meeting next Monday night at the Shaw House at 7:30 P.M. Thank you.

THE PRESIDENT: Are there any further announcements? Delegate Koss?

DELEGATE KOSS: Mr. President, the Committee on Suffrage and Elections will reconvene at 2:45 P.M. this afternoon and again tomorrow morning at 10:00 A.M.

I would like to remind all the delegates who have introduced proposals referred to our committee that you have each received an invitation to contact us if you would

like to appear on your proposal. The time is rapidly running out and we will be lenient in terms of scheduling. I would urge all of you please to get in touch with us as soon as possible if you do in fact want to meet with the committee.

THE PRESIDENT: Delegate Gallagher.

DELEGATE GALLAGHER: Mr. President, and ladies and gentlemen: The Committee on the Legislative Branch will be somewhat separated this afternoon. I have asked Mrs. Miller, Mr. Hanson, Mr. Bamberger, Mr. Peters, and Mr. Bard to return to the joint hearing in the Assembly Room of the State Office Building to continue with the Local Government panel. I would ask the rest of the Committee, other than those mentioned, to return to our regular committee room, H-8, at 3:00 P.M. where we are going to hear from a representative of the League of Women Voters.

We will meet tonight at 7:30 P.M. and, beginning tomorrow, the day sessions will be devoted to hearing some of the more veteran legislative representatives who appeared before the General Assembly in various guises and various years as lobbyists. We also have a hearing tomorrow night at 7:30 P.M.

Finally I would mention we are so arranging our schedule next week that every member of the Committee will be able to go on the boat ride if he so desires.

THE PRESIDENT: Are there any further announcements? Delegate Penniman.

DELEGATE PENNIMAN: I would like to announce that there will be a meeting of the Committee on Style at 5:00 P.M. at which time we hope to have Mr. Grad, who has been testifying today before the Local Government and Legislative Committee and we will have certainly John Brooks who will meet with us then at 5:00 P.M.

THE PRESIDENT: Are there any further announcements? Delegate Moser?

DELEGATE MOSER: Mr. President, I am not sure that Mr. Grad has been advised yet that he is meeting with Delegate Penniman's Committee but I believe he will be there and possibly will be available at 4:30 P.M. if this earlier time might be helpful. The Local Government Committee will continue along with members of the Legislative Branch Committee in the State Office Building Assembly Room this afternoon at 3:00 P.M. The witnesses will be Mr. Grad, Dr. Everstine, Mr. Crain, and Mr. Marbury.
