

our unloved neighbor in his need, to walk on by faith beyond our moment of despair, to try again when we have failed; to build together a living temple of spirit where love will prevail, where forgiveness will take away all marks of natural discord, and where the will to serve is greater than the desire to be served.

These things we pray in our thirsty neediness.

Amen.

THE PRESIDENT: Roll call.

*(Whereupon, the roll was called.)*

THE PRESIDENT: Has every delegate answered roll call?

The Clerk will record the roll call.

There being a quorum present, the Convention is in session.

Are there any reports of standing committees, Mr. Clerk?

READING CLERK: There are no reports.

THE PRESIDENT: Are there any motions or resolutions?

Delegate Della.

DELEGATE DELLA: Mr. President, I rise on a point of personal privilege.

THE PRESIDENT: State the privilege.

DELEGATE DELLA: Mr. President, it certainly is enlightening to have a co-delegate as a minister to this Convention to lead us in invocations on those occasions when we cannot get another preacher.

It has been very enlightening I think to the remaining delegates and certainly an asset, an extremely important asset, to lead us into a day when sometimes the burdens are very heavy. And for that purpose, Mr. President, I want to thank Delegate Price for the invocation he gave today.

*(Applause.)*

THE PRESIDENT: Thank you very much.

Are there any motions or resolutions?

If not, the Chair recognizes, as he should have before, Delegate Powers, Chairman of the Committee on Calendar and Agenda.

DELEGATE POWERS: Mr. President, I move that today's calendar be amended so as to provide for resuming consideration of the Committee of Style, Drafting and Ar-

rangement Report No. 13, dealing with Committee Recommendations EB-1 and EB-2, to come as an item before Item 7(a). And, as amended, I move the adoption of today's calendar.

THE PRESIDENT: Is there a second?

*(Whereupon, the motion was duly seconded.)*

THE PRESIDENT: All in favor, signify by saying Aye; contrary, No.

The Ayes have it, and the calendar is amended, and as amended, it is adopted.

The first item for consideration is the continuation of the consideration of Report S&D 13 with respect to Committee Recommendation EB-1 and EB-2.

But before doing that, let me announce, so that all of you may, to the extent possible make plans, what it is contemplated that we will do today.

I hope we will have shortly concluded consideration of Committee Recommendation EB-1 and 2. A number of you have indicated plans for this evening of long standing and every effort will be made to accommodate you so that the plans can be carried out. And for that reason, our goal is to conclude the session today by 5:00 P.M. and earlier, if possible.

It is, however, absolutely imperative that we conclude the items on the agenda. With this in mind, at the appropriate time, I will recognize Delegate Powers for the purpose of moving that consideration of the section involved in the question of single member districts be made the special order of business for next Tuesday. This will give us time when we will have perhaps more in attendance. We have a number of absences due to illness today, but more particularly it will take out of today's agenda a subject that perhaps will be debated at more length.

I think, so far as I am aware, at least, that while there is a good deal of work to be done, there are no major problems that we would have prolonged debate about. If we can each stay in the chamber and keep moving briskly and keep speeches and questions terse, then we can conclude not later than five, and hopefully before then.

At the time of adjournment last evening we had under consideration Amendment No. 11 to Committee Recommendation EB-1 and EB-2 as amended by Report S&D-13. It had been moved, seconded, and read across the desk.
