

half up and half down, and I was not sure what he wanted.

Is there any further discussion? Are you ready for the question?

*(Call for the question.)*

The question arises on the adoption of Amendment No. 8 to Committee Recommendations LB-1, LB-2, LB-3 as amended by Report S&D-16. A vote Aye is a vote in favor of Amendment No. 8. A vote No is a vote against. Cast your vote.

*(Whereupon, a roll call vote was taken.)*

THE PRESIDENT: Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 90 votes in the affirmative and none in the negative, the motion is carried. The amendment is adopted.

May the Chair divert a moment to make a request? I have noticed not merely today, as a matter of fact more particularly in the past few days, a number of delegates taking pictures during the session.

May I request all of the delegates who do this, and any of the others who can, if they would be kind enough to make several duplicates and send them in to either my office or the President's office so that we can include them among the documents turned over to the Hall of Records. These are the kind of informal snapshots that might be very interesting in the future documents.

Are there any further amendments to section 3.06? section 3.07?

Delegate Gallagher, do you desire to offer your Amendment X?

DELEGATE GALLAGHER: Mr. President, I would be delighted to consider it. I do not have it before me.

THE PRESIDENT: It deals with senate districts and I thought we had that.

DELEGATE GALLAGHER: That was Amendment No. 1, which should be distributed and marked Amendment 1, Mr. President.

THE PRESIDENT: Yes, thank you very much. Pages will please distribute Amendment X. It is Amendment 1.

Are there any other amendments to 3.07? 3.08?

While checking a few of the amendments, let me take a moment to make another announcement. As indicated yesterday, the commissions are here with the exception of two, I am sorry to say, Delegate Agnes Smith's and Delegate Ritter's, which cannot be delivered to you today because they lack the Governor's signature, and he is not available. They will be ready for you I understand Tuesday. All other commissions are here, framed. Some of you have seen them. We did not put them on the desks for fear that they would be knocked to the floor and broken. If you will just remain in your seats for a few moments just prior to adjournment, the pages will bring you your certificate and you can take it with you.

Are there any other amendments to section 3.08? 3.09? Delegate Gallagher.

DELEGATE GALLAGHER: Mr. President, I would like to offer Amendment N, as in nobody.

THE PRESIDENT: Pages will please distribute Amendment N, for nobody. This will be Amendment No. 9. The clerk will read the amendment.

READING CLERK: Amendment No. 9, to Committee Recommendation LB-1, LB-2, LB-3, as amended by Report S&D-16, by Delegate Gallagher: On page 4, section 3.09, Compensation of Legislators, in line 5 after the period strike out the remainder of this line and all of lines 6 and 7 and insert in lieu thereof the following words: "A salary increase enacted during one term shall not become effective before the next term. No Senator".

THE PRESIDENT: The amendment is submitted by Delegate Gallagher. Is there a second?

*(The motion was duly seconded.)*

THE PRESIDENT: The Chair recognizes Delegate Gallagher.

DELEGATE GALLAGHER: Mr. President, ladies and gentlemen, this amendment is offered to substitute for the sentence in section 3.09 which reads, "The salary of a member shall not be increased during his term of office", because it would appear from that language that no act could be passed during the term of office of a member of the General Assembly increasing his salary.

The intention of the Committee would be better served and explained by the language proposed in the amendment which would read "a salary increase enacted dur-
