

THE PRESIDENT: Delegate Fox, in view of the statement by Delegate Miller, would you care to—

DELEGATE FOX. I would be glad to withdraw my motion.

THE PRESIDENT: Thank you and thank you, Delegate Miller.

Are there any other motions or resolutions?

*(There was no response.)*

If not, I have a few announcements to make. I had intended to announce the designation of voting memberships to the two Vice-Presidents on the three committees to which each is respectively assigned. But in view of the action on Resolution No. 18, I will not do so.

The attendance of delegates at yesterday's showing of the film, "The Mighty Oak," was zero. The film will be shown in this chamber immediately after the conclusion or say ten minutes after the conclusion of the session Monday afternoon. Thereafter, it will not be shown except by request; it will be shown at any time upon request of delegates.

The script of the film, "The Mighty Oak," has, I believe, been circulated and is on your desks. Are there any announcements by committee chairmen? Delegate Kiefer.

DELEGATE KIEFER: Mr. President, the Committee on Personal Rights and the Preamble has been conducting hearings on eminent domain, will continue to do so after this session. On Monday afternoon at 1:00 P.M. the committee will reassemble, at 2:00 P.M. it will hear from Judge Wilson Barnes, who will speak on several specific matters.

This will conclude the hearings of this committee except for those delegates who may not have had a chance to speak on the proposals that have been referred to the committee. Also it does not include the preamble which had been scheduled for hearing for tomorrow, but will be set up for one day next week.

Tomorrow afternoon after the Convention, and after "The Mighty Oak," the committee will reassemble to consider further, by debate and decision, some of the problems before it.

THE PRESIDENT: You mean Monday afternoon?

DELEGATE KIEFER: Yes, I am sorry.

THE PRESIDENT: Delegate Mudd.

DELEGATE MUDD: Mr. President, the Committee on the Judicial Branch will meet immediately following this plenary session to receive the report of the subcommittee dealing with the office of sheriff. The deliberations of this committee this afternoon will be with respect to the office of sheriff and clerk of the court, under the guidance of Delegate Henderson in my absence.

THE PRESIDENT: Delegate Sherbow.

DELEGATE SHERBOW: Mr. President, our Committee has possibly concluded hearings from witnesses, but we have requested some of the legislative leaders to be present at a meeting. They have agreed to come Monday at 5:00 P.M. and I would like to ask all the members of the Committee on Finance and Taxation to please be ready at our hearing room Monday afternoon at 5:00 P.M.

THE PRESIDENT: Delegate Moser.

DELEGATE MOSER: Mr. President, the Committee on Local Government will reconvene immediately after this session. Delegates have been afforded an opportunity to be heard on all proposals referred to the Local Government Committee through yesterday. We will schedule a hearing on Proposal No. 418 referred today to Local Government Committee at 9:00 A.M. on Tuesday morning. And any other proposals that are introduced through Monday will be heard at that time.

The committee will meet at 2:00 P.M. on Monday, and after the session on Monday afternoon the committee will commence final action, or votes leading to final action, on all sections of the Local Government Article.

THE PRESIDENT: Delegate Morgan.

DELEGATE MORGAN: Mr. President, the Committee on the Executive Branch will meet immediately following this plenary session, hopefully to conclude our decision-making process.

THE PRESIDENT: Are there any other announcements by committee chairmen? Delegate Koss.

DELEGATE KOSS: Mr. President, the Committee on Suffrage and Elections will meet at 1:00 P.M. on Monday to consider the report of the subcommittee on frequency of election, and proceed from then on, when necessary, to take votes on substantive issues. Thank you.
