

DELEGATE BOILEAU: No.

THE PRESIDENT: Has every other delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 65 vote in the affirmative and 55 votes in the negative, the motion carries. The amendment is adopted.

Delegate Adkins.

DELEGATE ADKINS: Mr. President, I should like to move the previous question on section 3.19 if that is in order.

THE PRESIDENT: I am not sure I follow you. There is not now presented a question for the adoption of section 3.19. It is a part of further consideration of S&D-16 and will be submitted, unless divided, with the other four sections after we have considered section 3.23.

Delegate Adkins.

DELEGATE ADKINS: Well, I do not quarrel with the Chair. I simply want to get on with the business. It seems to me we have belabored these problems enough. They have all been decided to the question. I would hope my motion would put to rest section 3.19. If I am out of order, I will withdraw it.

THE PRESIDENT: Delegate Adkins, I think that you can request that the section be divided and then move the previous question.

DELEGATE ADKINS: I will so move, Mr. President.

THE PRESIDENT: Delegate Rybczynski.

DELEGATE RYBCZYNSKI: Am I correct in saying Amendment No. 12, JJ is now in order?

THE PRESIDENT: I am sorry, you are quite right about that.

Delegate Rybczynski.

DELEGATE RYBCZYNSKI: I would hope to couple that, Mr. President, with still another request as to your interpretation as to whether or not the words are automatically deleted by that last vote. Maybe we better vote on it and get it over with.

THE PRESIDENT: No, I do not think they would be automatically eliminated. I would quite agree with you that the amendment should follow.

Delegate Adkins, Amendment No. 12 would have priority since it has already been recognized. I will recognize you after consideration of Amendment No. 12.

The question now arises on the adoption of Amendment No. 12. Let the Chair reverse its previous statement as to the numbering of this amendment because checking the notes of the Chair, the journal clerk, the reading clerk, and the parliamentarian, I think there would be more confusion if we numbered the amendment JJ as 12 than otherwise because the Chair apparently failed to give it that number last Saturday and referred to the other amendments by that number, and I think it would confuse the journal.

Therefore, would you please, contrary to what the Chair previously indicated, restore No. 12 to the amendment that was designated by the letter "W" and designate the amendment JJ not as Amendment No. 12, but Amendment No. 13; Amendment 13 is JJ.

The Chair recognizes Delegate Rybczynski to speak to Amendment No. 13.

DELEGATE RYBCZYNSKI: Other than to tell you that Delegate Beatrice Miller wants her name added to this amendment, I will rest my case.

THE PRESIDENT: Delegate Beatrice Miller is added as a co-sponsor to Amendment No. 13.

Is there any further discussion?

Delegate Morgan.

DELEGATE MORGAN: I move the previous question.

THE PRESIDENT: All those in favor, signify by saying Aye; contrary, No. The Ayes have it. It is so ordered.

The question arises on the adoption of Amendment No. 13 to Committee Recommendation LB-1, LB-2, and LB-3 as amended by S&D-16. A vote Aye is a vote in favor of Amendment No. 13. A vote No is a vote against.

Cast your vote.

Has every delegate voted?

Delegate Boileau votes Aye.

Has every other delegate voted? Has any other delegate decide to change his vote?

*(There was no response.)*

The Clerk will record the vote.
