

The question arises on the adoption of the committee recommendation with respect to section 8.01.

A vote Aye is a vote in favor of the amendment; a vote No is a vote against.

Cast your votes.

Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

Delegate Marion.

DELEGATE MARION: That went a little too quickly, Mr. President. Can you tell me what we are voting on at this time?

THE PRESIDENT: The committee recommendation to strike the words "by law" in line 12.

Delegate Marion.

DELEGATE MARION: Would that leave it in line 11 and 12?

THE PRESIDENT: It has already been added in lines 11 and 12. Any other delegate desire to change his vote?

The Clerk will record the vote.

There being 106 votes in the affirmative and 1 in the negative, the motion is carried, and the amendment is adopted.

Delegate Boyer, does the Chair understand that there is no objection to the remaining amendments in the report of the Committee on Style?

DELEGATE BOYER: The Chair understands.

THE PRESIDENT: The question arises that in line 14 the word "as" be stricken and the word "that" be substituted and in line 16 the word "the" be stricken and "this" be substituted. Are there any questions?

Delegate Case.

DELEGATE CASE: Mr. President, would Chairman Penniman explain section 8.02? He said that his Committee was recommending an additional amendment in line 18. That would be to add the word "public" before the word "higher" and I am wondering whether or not it is necessary to bring it up.

THE PRESIDENT: In the caption?

DELEGATE CASE: Yes.

THE PRESIDENT: Delegate Penniman.

DELEGATE PENNIMAN: This had been discussed on the floor a few days ago. I think it was Delegate Maurer who had said that the intention had been public higher education. It was my understanding that the people here had agreed to that substitution, but I referred to it this morning when I made the presentation knowing that it was an addition to the words which —

THE PRESIDENT: You desire to modify it?

DELEGATE PENNIMAN: Yes.

THE PRESIDENT: The Committee on Style desires to modify the Committee Recommendation GP-6 with the amendments by inserting in line 18 before the word "higher" to the word "public". Is there any objection?

Delegate Gallagher.

DELEGATE GALLAGHER: Mr. President, if we say that the General Assembly shall provide any other higher public educational institution —

THE PRESIDENT: This is just in the caption of the section. In line 18, the caption of the section is now "higher education". The suggestion is that it be "public higher education". Is there any objection?
