

THE PRESIDENT: Delegate Boileau votes Aye.

Has every other delegate voted? Does any delegate desire to change his vote?

The Clerk will record the vote.

There being 107 votes in the affirmative and 4 in the negative, Committee Recommendations GP-7, GP-8, GP-9 and GP-12 as amended are adopted on second reading and are referred to the Committee on Style, Drafting and Arrangement.

The next item on the calendar is the Report of the Committee on Style, Drafting and Arrangement, S&D-14. This has to do with Committee Recommendation LB-2 and 3 and GP-10.

The Chair recognizes—for what purpose does Delegate Gallagher rise?

DELEGATE GALLAGHER: Parliamentary inquiry.

Mr. President, among the recommendations which we just considered in S&D-17 were portions of R&P-1 and LB-3 pertaining to continuity of government during emergency. As you put the question to the Convention I think you restricted approval to GP-7, GP-8, GP-9, GP-12.

THE PRESIDENT: I think so that there will be no question about it, the Chair should put the question again and restate it in somewhat different form.

This is a restatement of the question on which you just acted: The question arises on the adoption of the Committee recommendations as amended embraced in the attachment to the Report of the Committee on Style, Drafting and Arrangement S&D-17. A vote Aye is a vote in favor of the committee recommendations as amended and contained in the attachment to that report of the Committee on Style. A vote No is a vote against.

Cast your votes.

Has every delegate voted?

Delegate Boileau.

DELEGATE BOILEAU: Yea.

THE PRESIDENT: Delegate Boileau votes Yea.

Has every other delegate voted? Does any delegate desire to change his vote?

The Clerk will record the vote.

There being 102 votes in the affirmative and 1 in the negative, the motion is

carried and those portions of committee recommendations contained in the attachment to the Report of the Committee on Style, Drafting, and Arrangement S&D-17 as amended are adopted on second reading and referred to the Committee on Style, Drafting and Arrangement.

Delegate Gallagher, I think the Chair overlooked, in calling for the item Committee Report S&D-14, the amendment that you desired to make under suspension of rules to Committee Report S&D-16 that the Chair earlier had distributed.

Do you desire to make that at this time?

DELEGATE GALLAGHER: I do, Mr. Chairman. That would be "II".

THE PRESIDENT: Very well.

The Chair incorrectly announced the result of that last vote. It is 103 in the affirmative, 1 in the negative. You already all have the distributed Amendment II. This will be Amendment No. 22.

Delegate Gallagher, does the Chair understand you desire to move that the vote by which Committee Recommendations LB-1, LB-2, and LB-3, except with respect to sections 3.03, 3.04, 3.14 and 3.19 and 3.23 were adopted on second reading be reconsidered so that you may offer further amendment to section 3.11; and that you also move for a suspension of rules so that the motion may be considered immediately?

DELEGATE GALLAGHER: I do, Mr. President. I move suspension of the rules, and I move that the approval given to the designated sections be reconsidered for the purpose of offering Amendment II.

THE PRESIDENT: Delegate Gallagher, the Parliamentarian has a simpler way to do this. He suggests you move to suspend the offending rules so that you may offer Amendment No. 22 to section 3.11.

DELEGATE GALLAGHER: I so move, Mr. President.

THE PRESIDENT: Is there a second?

*(Whereupon, the motion was seconded.)*

THE PRESIDENT: This requires a roll call vote.

Delegate Gallagher moves that the offending rules be suspended so as to permit him to offer Amendment No. 22 to section 3.11, and permit immediately consideration thereof. All in favor of the suspension of the rules, indicate by voting Aye.
