

You will note in the titles of 4.18 and 4.19, we have deleted the words "of Attorney General", the same change described above about the election process.

In line 25, we put in the subtitle of comptroller, and under that 4.20, 4.21, and 4.22 is the same problem as in the case of the governor and attorney general, it is the election process.

In section 4.23, we inserted "Tie Votes" rather than "Tied Elections." In line 27 under Salaries, we changed the place of the word "be" and put it after "shall neither be increased nor decreased." It makes no difference.

Administrative organization is a new heading. We have sections 4.25, 4.26, 4.27, 4.28, 4.29. Page 26, we change simply the position of the words "by law", line 5, from before to after "may prescribe" which is the way that we generally did it.

There are no changes in the new 4.30 or 4.31.

THE PRESIDENT: There are two slight changes in 4.30, in line 22 and line 24. You change the position of the word "so".

DELEGATE PENNIMAN: Yes, and it is an important change to make very clear that all this shall be done "so that the governor, immediately upon taking office following election, may appoint at least one-half". It should have been where we put it in line 24 since that was the function of all this change.

We removed "to come in" after "Senate". We can see no change in 4.22, 4.23, 4.24, and 4.25. We inserted the subhead.

DELEGATE MENTZER: In section 4.19 and 4.22, I suggest a comma after the word "thereafter" in order to be consistent with section 4.05.

THE PRESIDENT: What line in 4.19?

DELEGATE MENTZER: Line 14, in 4.19, and line 53 of 4.22. Referring back to section 4.05 at line 47, "thereafter" comma.

THE PRESIDENT: Do you wish to make the modification?

DELEGATE PENNIMAN: All right.

THE PRESIDENT: Is there any objection to modifying the report of the Committee to add the comma after the word "thereafter" and also again on the same page?

Delegate Sybert, do you object to the change?

DELEGATE SYBERT: No, I do not.

THE PRESIDENT: The change will be considered as having been made and the report modified.

Delegate Sybert.

DELEGATE SYBERT: Mr. Chairman, in section 4.19 dealing with the Attorney General in line 48, I think the "or" should be changed to "and". In practice, of course, the attorney general appoints one deputy and a number of assistants. I think that "or" should be changed to "and" because actually it has both.

THE PRESIDENT: Delegate Penniman.

DELEGATE PENNIMAN: This is the way it came to us from the floor. I suppose one might interpret that as a substantive change.

DELEGATE SYBERT: I think the drafters of the section actually amend "and" because they did not mean to depart from the time-honored and long-continued custom of having at least one deputy and a number of assistants. In actual practice for many years we have had both, one deputy and a number of assistants.

THE PRESIDENT: Delegate Sybert, I am not sure of this, but I faintly recall some discussion of the Committee of the Whole about this and the suggestion was if you said "and" it might look as though the legislature would be required to prescribe the vote.

Delegate Sybert.

DELEGATE SYBERT: I do not think it makes too much difference.

THE PRESIDENT: Are there any further questions as to Article 4?

The Chair hears none.

Article 5.

DELEGATE PENNIMAN: Article 5, section 5.02. We changed the title again.

Line 32 in 5.03 we changed "prescribe" back to "provide."

Section 5.04, we reduced the length of the title.

In section 5.06, we reduced the length of the title and the same in 5.07. In 5.08 and 5.09 we did the same. The same for 5.10 and 5.11. The same for 5.14. No changes in the intervening ones. No changes in 5.15; none in 5.16. None in 5.17.

In 5.18, in line 28, we struck the word "such" because it did not seem to us that
