

it added anything. We already had the word "each" there and "each commission". It seemed to apply to each and all of these.

There is no change in 5.19 or 5.20, 5.21, 5.22, 5.23, nor in 5.24, or 5.25.

In section 5.27, line 9, we inserted the word "the", so it will correspond with the usage in succeeding lines, line 17 where it also said that the commission shall have the power.

Section 5.28, no change.

Section 5.29, no change.

Section 5.30, no change.

Now, under "Administration", if I may, Mr. President, I would like to propose a change in the section under administration merely to transpose the order of what is now 5.43 and what is 5.33. It would seem to me under administration it might be preferable to put the phrase, cost of judicial branch, and then as a separate item, clerks of court. If we put them separately, that would mean removing from line 1, cost of judicial branch.

THE PRESIDENT: Section 5:33 would become what?

DELEGATE PENNIMAN: Section 5:33 would become 5.32 to 5.33 and change the section number on page 37 from 5.32 to 5.43 and to delete the caption in line 1 on page 37.

THE PRESIDENT: Is there any objection to the modification?

The Chair hears no objection. The modification will be made.

The attention of the Chair has been called that there is no page 36. Do any delegates have such defective copies? The reverse of 35 did not print. Do any delegates have such defective copies?

Delegate Lord.

DELEGATE LORD: Mr. President, I have a defective copy in that the back of page 23 is not printed on mine. Maybe other people have that problem.

THE PRESIDENT: You have no page?

DELEGATE LORD: No.

THE PRESIDENT: Delegate Mentzer.

DELEGATE MENTZER: I have no page 28. Perhaps someone else might want to check to be sure that they did not have that same error.

THE PRESIDENT: Delegate Gill.

DELEGATE GILL: Page 19 does not have a back. It has no printing on it.

THE PRESIDENT: Are there any other questions as to Article 5?

Delegate Grant.

DELEGATE GRANT: Mr. Chairman, on page 34, lines 25 to 28, I have a different reading for those lines and I am not sure whether I missed a correction along the line or not, where we took out a business formed for the intention of making a profit —

THE PRESIDENT: What page are you referring to?

DELEGATE GRANT: Page 34.

DELEGATE PENNIMAN: This is the one that the President handed out a substitute page for yesterday during the afternoon session so if you have the one that was handed out the night before, you have the incorrect one which included an amendment which was rejected and not accepted. The one passed out yesterday in the afternoon is the correct one and it should read, "or serve as an officer, director, or employee of any business formed with the intention of making a profit."

As I remember, it was Delegate Harkness's resolution.

THE PRESIDENT: Will the page please get a brown copy off the table in the lounge that contains by itself what the page number in the brown copy is?

Delegate Penniman.

DELEGATE PENNIMAN: Section 5.7.

THE PRESIDENT: Give it to Delegate Grant.

Any other questions as to Article 5?

Delegate Marion.

DELEGATE MARION: Delegate Penniman, in that same section, line 25, at the end of the line.

THE PRESIDENT: Which section?

DELEGATE MARION: Section 5.25 with which the last question was dealing, after the word "campaign", should there not be a comma?

DELEGATE PENNIMAN: That is correct. There would be a comma there.

THE PRESIDENT: Is there any objection to adding a comma after the word "campaign" on page 34, line 35?
