

The Chair hears none. The modification will be made.

Are there any other questions as to Article 5?

The Chair hears none.

We will proceed to Article 6.

Just a moment, Delegate Penniman.

DELEGATE PENNIMAN: Delegate Eney has asked me what other pages have the blank beside 19, 21, 24, 26, 28.

DELEGATE CLAGETT: Mr. President, through your representation, the Chairman of the Committee, I rise to a point of personal privilege.

THE PRESIDENT: State the privilege.

DELEGATE CLAGETT: Mr. President, on behalf of myself certainly because I can give myself that authority, but also I believe on behalf of the other members of this Convention, a number of whom have spoken to me to act on their behalf and do what I am now about to do and that is, Mr. President, to thank you and Mrs. Eney and the other officers of this Convention who so graciously welcomed us at the reception last evening. We all had a delightful time and we are very, very sincerely thankful to you. Thank you.

*(Applause.)*

THE PRESIDENT: Are there any blank pages other than 19, 24, 28, 31, and 36?

We will try to have those pages reprinted right away.

DELEGATE SMITH: 51.

THE PRESIDENT: Are there any others?

Any other questions as to Article 5?

The Chair hears none.

Article 6.

DELEGATE PENNIMAN: Article 6. We had the assistance of the staff advisor. That is to say he worked with the staff members of the Committee on Style, Drafting and Arrangement.

We made a change in line 8, and put in "only" simply because it sounded a little better, to be imposed only for public purposes and elected representatives. It changes nothing in meaning.

In line 15 after checking with the substantive committee, we changed it from the "time of the adoption" of this constitution

to the "effective date" of this constitution, which would correspond with the way it is in I think all other instances in the constitution.

There were no changes in 6.03, none in 6.04; none in 6.05; in 6.06, we removed some of the "such's" by putting it in line 50, "the manner" and on line 1, page 39, "the terms and conditions". We changed the "as" to "that the General Assembly may prescribe by law".

There were no changes in 6.07, none in 6.08, none in 6.09, none in 6.10, none in 6.11, none in 6.12.

In section 6.13 we did make a change to make clear that when the Committee said and we approved six days before the expiration, "ten days before the expiration of its regular session", it meant "by the eightieth day" of the regular session. With the addition of these two possibly thirty-day extensions, it was deemed desirable to make clear that it was the "eightieth day" which would have been the way to have stated it if we had not had these two little extras added on.

This was, of course, cleared with the Committee.

Section 6.14, no change.

Section 6.15, in the last line, it is not the end of the sentence. Please remove that period after the word "shall" in line 53.

THE PRESIDENT: On what page?

DELEGATE PENNIMAN: Forty-one, the last line, "appropriation bill shall", and then it keeps on going.

THE PRESIDENT: Strike the period at the end of line 53 on page 41. It is an obvious typographical error.

DELEGATE PENNIMAN: Section 6.16, no change. We put "Lottery" in this section not because it does anything for state finances, but it is to make clear that this is one of the ways in which you cannot raise state finances, so it is put in this section.

That completes that section.

THE PRESIDENT: Are there any questions as to Article 6?

Delegate Henderson.

DELEGATE HENDERSON: Do you need a main heading "lottery" when you have the subheading there? It seems to me it is a duplication.
