READING CLERK: Amendment No. 18 to Report No. S&D-18 by Delegate Koss: On page 9, section 2.14, Laws Applicable in One County, in line 4 after the word "voters" add the words: "of the county".

THE PRESIDENT: Page 9, in line 4, the white copy, the amendment is offered by Delegate Koss. Is there a second?

*(The amendment was duly seconded.)*

THE PRESIDENT: The amendment is intended to make clear what obviously is intended when it says that the petition has been signed by a number of qualified voters equal to at least ten percent, that that means qualified voters of the county. The words "of the county" have been added.

READING CLERK: Amendment No. 19 to Report No. S&D-18 by Delegate Case: On page 15, section 3.19, Form of Laws, strike out all of lines 21, 22 and 23 and insert in lieu thereof the following: "of budget, appropriations, their purpose or purposes, and the requisite revenue. No law or section".

THE PRESIDENT: The amendment is submitted by Delegate Case.

Is there a second?

Delegate Gallagher?

The amendment is co-sponsored by Delegate Gallagher.

The amendment is in lines 31, 32, and 33 on page 14 of the white copy.

The sentence to which the amendment applies now reads, "The budget law and all supplementary appropriation laws shall be limited to the subject of budget and appropriations and the requisite revenue, the purpose and purposes of which shall be clearly stated in each law."

This sentence was amended by the Committee on Style and following the amendment, two more amendments were offered. The result is that grammatically as it is at present, it would appear that the "purpose or purposes of which" refers to revenue rather than appropriations which is what is intended. The amendment would make the sentence read, "The budget law and all supplementary appropriation laws shall be limited to the subject of budget appropriations," their purpose and purposes and the requisite revenue. Are there any questions?

Delegate Gallagher.

DELEGATE GALLAGHER: I think you have explained it. It is merely a clarification of the intention of the Committee, as was said before. In enacting this exception for supplementary appropriation laws we are trying to avoid the difficulty that arose in the Panitz case, and I think as a result of conferring with Delegate Case who offered the original amendment that we have now clarified it, and the language is not so ambiguous as it previously was.

THE PRESIDENT: Are there any further questions?
