

Scanlan for the purpose of making the motion. It seems to me that in view of the number of changes, it might be desirable to take them up separately, Delegate Scanlan. I wonder if you would want to consider the proposed change in Rule 46A [50] before you consider the change in Rule 33 [35] inasmuch as the change in Rule 33 [35] depends upon the amendment of Rule 46A [50]. Or you could take those two together, if you wish.

DELEGATE SCANLAN: The Rules Committee favorably recommends and we move the Convention adopt a new Rule 46A [50] as it appears on lines 41 through 48 of page 5 of the Twelfth Report of your Rules Committee.

*(The motion was duly seconded.)*

THE PRESIDENT: The question arises on the adoption of the amendment to Rule 46A [50] as printed in lines 41 to 48 on page 5 of the Committee Report R&C 12. Is there any discussion? Are you ready for the question? A vote Aye is a vote in favor of the change in the rule as printed on page 5, a vote No against. All in favor, signify by saying Aye; contrary, No. The Ayes have it. The motion is carried and the amendment is adopted. Delegate Scanlan.

DELEGATE SCANLAN: The Committee favorably recommends and we move that present Rule 33 [35] of the standing rules of the Convention be deleted and that there be substituted therefor the language appearing on line 11 through 16 on page 2 of the Twelfth Report of this Committee.

*(The motion was duly seconded.)*

THE PRESIDENT: The question arises on the motion to adopt the change, the amendment of Rule 33 [35] as appears in lines 11 to 16 of page 2 of the Committee Report. Any discussion? Ready for the question? A vote Aye is a vote in favor of the adoption of the change. A vote No is a vote against. All in favor, signify by saying Aye; contrary, No. The Ayes have it. It is so ordered. Delegate Scanlan.

DELEGATE SCANLAN: The committee favorably reports and recommends that Rule 36 [38] be amended by inserting the following language. First, after the words "except that the Committee of the Whole cannot adjourn the Convention" insert "no question may be laid on the table." Secondly in that same rule, the language here is found on page 3 of our report, that same rule after the words "a majority of the

committee shall govern its action" insert "any motion to postpone further consideration shall be debatable for ten minutes, no speech thereon to exceed two minutes."

THE PRESIDENT: The question arises on the adoption of the amendment to Rule 36 [38] as printed in the report of the committee. The chair recognizes delegate Rybczynski.

DELEGATE RYBCZYNSKI: Mr. President, Mr. Chairman, I would suggest the rule is prohibitive to a too great extent in that the president or the chairman of the Committee of the Whole at the time would be precluded from allowing the opposition to speak in the event that five persons in a row all spoke on the same side. If it is in order, I would move at this time to amend after the word "minutes" in line 23 to add "on each side," which would then allow the President or Chairman to allow both sides to speak.

THE PRESIDENT: Would the Chairman of the Committee be disposed to accept the suggested modification.

DELEGATE SCANLAN: I think so. I think the intention was if there was to be debate, it would be fairly allocated.

THE PRESIDENT: Is there any objection? If not, the amendment will be considered as printed on page 3 with the modification that in line 23 after the word "minutes" and before the comma, the words "on each side" be inserted. Is there any further discussion? Delegate Storm.

DELEGATE STORM: I just want to be sure, Mr. Chairman, does that come after the words "ten minutes on each side" or after the words in the next line, "two minutes on each side"?

THE PRESIDENT: After the words "ten (10) minutes," then insert "on each side." Any further discussion? As I am sure some of you have noted, these are amendments to the by-laws, which require a majority of 72. Normally we would take a roll call vote. I have on the two previous votes not taken a roll call because they were unanimous and no objection. I there are any Nay votes on any amendments, we will take a roll call vote. A vote Aye is a vote in favor of the amendment as printed on page 3 of the Committee Report with the modification in line 23 of adding the words "On each side" after the words "ten (10) minutes." A vote Aye is a vote in favor of the amendment as modified. All in favor signify by saying Aye; contrary,
