

A MINORITY REPORT that section 3.12 of the new constitution provide for legislative termination of sessions of the General Assembly, to read as follows:

THE PRESIDENT: The six Minority Reports Nos. LB-1A to LB-1F, inclusive, all pertain to Committee Recommendation LB-1. They have not yet been printed; they are presently in the print shop. They will be concluded sometime this evening. It may not be possible to distribute them to you this evening. If not, they will be on your desks in your committee rooms, either late tonight or early tomorrow morning. Because Committee Recommendation LB-1 will be on the agenda the first thing tomorrow morning, each of these minority reports will be presented by the minority spokesman of the various groups at the proper time in the course of the debate tomorrow. They will be accompanied at that time by the necessary printed amendments. The amendments will not be circulated until they are actually offered.

In addition to these memoranda, there is also presently in the print shop galley proofs of an article on unicameralism by Dr. John Michener, which was prepared for the Constitutional Convention Commission, and which is a part of Volume II of the Reports of that Commission. Xerox copies of this Report were heretofore made available to all the members of the Committee on the Legislative Branch, and copies of the Report are also in the library. Because the subject is one which will be debated tomorrow, we thought it best to try to reproduce copies so that each of you could have a copy on your desk if you want it. Problems of reproduction are such, with the lateness of the reports coming in, that we could not conclude it in time to give it to you this afternoon.

There are no proposals this afternoon. Are there any other motions or resolutions?

*(There was no response.)*

Delegate Vecera?

DELEGATE VECERA: Mr. President, ladies and gentlemen of the Convention, I would like to move at this time that the Committee of the Whole not be adjourned tomorrow, due to the City elections all day tomorrow. I think it would place an undue hardship on many members that are of the City delegation, that the Committee therefore not be adjourned tomorrow.

THE PRESIDENT: I do not understand. You say it not be adjourned?

DELEGATE VECERA: Not be debated, excuse me.

THE PRESIDENT: I think the motion is out of order at this time. I will recognize you at the time later in the program after we finish the consideration of the general orders of the day.

DELEGATE VECERA: Thank you, Mr. President.

THE PRESIDENT: Are there any other motions or resolutions?

*(There was no response.)*

If not, the Chair recognizes Delegate Powers.

DELEGATE POWERS: Mr. President, I move the Convention resolve itself into the Committee of the Whole for the purpose of considering the general orders of the day.

THE PRESIDENT: Is there a second?

*(The motion was seconded.)*

Is there any discussion?

*(There was no response.)*

All those in favor, signify by saying Aye; contrary, No. The Ayes have it. It is so ordered.

*(Whereupon, at 4:17 P.M., the Convention resolved itself into the Committee of the Whole.)*

*(The mace was removed by the Sergeant-at-Arms.)*
