

THE CHAIRMAN: That motion is not in order.

The Chair would like to see the Chairman of the Committee on Calendar and Agenda, please.

The Chair recognizes Delegate Powers, Chairman of the Committee on Calendar and Agenda.

DELEGATE POWERS: First, I would like to say that from the standpoint of the Committee on Calendar and Agenda, we are reluctant to have what I would consider to be a dangerous precedent set, and that is have wide latitude in the time that we recess and the time that we conclude our business in the evening, because plans are necessarily made on the basis of our customary practice. However,—

THE CHAIRMAN: Delegate Powers, before you make your motion, a note has just been handed to me stating that the delegates from Prince George's County are scheduled to meet with the delegation of teachers at 1:00 P.M. Could we inquire of someone from that delegation whether an earlier adjournment would affect that meeting in any way?

Delegate Schneider?

DELEGATE SCHNEIDER: Mr. Chairman, I sent the note up to you. As I understand it, this is set up through Mrs. Fleury and the Public Information Service. It would interfere, as I understand it, if we go to lunch from 12:00 noon to 1:00 P.M. or 1:30 P.M., I believe, in making adequate presentation to the teachers; it would require probably as much as an hour, since we will have at least eight substantive committees represented there, so I believe it would be more advantageous to stay on schedule as Chairman Powers state. However, it would set a bad precedent for us to change our time of adjournment or recess for lunch each day, when people are making plans and schedules based on this.

THE CHAIRMAN: The Chair recognizes Delegate Powers. He has the floor.

DELEGATE POWERS: Mr. Chairman, under the circumstances, and in view of the fact that we have planned an hour and a half, I move that the Committee of the Whole rise and report to the Convention that it has not yet concluded its consideration of the general orders. I would propose, when we did rise and the Convention convened, to move that we recess until 1:30 P.M.

THE CHAIRMAN: Is the motion seconded?

(Whereupon, the motion was seconded.)

THE CHAIRMAN: The question arises on the motion that the Committee of the Whole rise and report to the Convention that it has under consideration Committee Recommendation LB-1 and request permission to sit again. All those in favor, signify by saying Aye; contrary, No.

The Chair is in doubt. A vote Aye is a vote in favor of the motion to rise.

A vote No is a vote against.

All those in favor of the motion to rise please vote Aye; opposed, vote No.

(Whereupon, at 12:06 P.M., the Committee of the Whole rose, and the Convention reconvened.)

(The mace was replaced by the Sergeant-at-Arms.)

THE PRESIDENT: The Convention will please come to order.

On behalf of the Committee of the Whole, I report that the Committee of the Whole has under consideration Committee Recommendation LB-1, and still has it under consideration and desires to sit again. The Chair recognizes Delegate Powers.

DELEGATE POWERS: Mr. President, I move we recess until 1:30 P.M.

THE PRESIDENT: Is there a second?

(Whereupon, the motion was seconded.)
