

DELEGATE BOTHE: I would like to record my presence.

THE CHAIRMAN: Are there any others?

Delegate Dulany.

DELEGATE DULANY: I would like to report my presence, Mr. Chairman.

THE CHAIRMAN: Are there any others?

Now, I would like to make the announcement that I have started four times to make. There have been so many requests for copies of each vote that we can no longer furnish them by Xeroxing them as we have been doing. Accordingly, beginning with the next vote, which I hope will occur in the next thirty seconds, we will make duplicated copies, 200 of them, of every tally sheet. It will take us at least twenty minutes. A copy of the vote will be put on the desk of each delegate. Please do not send pages to the reading clerk's desk to borrow his only copy.

While I am making announcements, I have been requested to announce that someone has apparently inadvertently walked off with the wrong overcoat, a black overcoat that was last seen in the press room. If you know the whereabouts of an unclaimed black overcoat, put a notice in the press room.

The question now arises on the adoption of Amendment No. 9 to Committee Recommendation LB-1. The Chair is dividing the question, and is submitting to you at this time all of the amendment except the last sentence in the first paragraph, beginning with the words "Each delegate," on line 14, and ending with the word "district," in line 17.

In other words, we are taking out of the question on which you are voting now the question of single member districts.

A vote Aye is a vote in favor of Amendment No. 9. A vote No is a vote against.

Has every delegate voted?

Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 30 votes in the affirmative and 98 votes in the negative, the motion is lost. The amendment is rejected.

I take it that the sponsor of the motion does not at this time, as part of this motion, desire to submit the second part of the motion? Is that correct, Delegate Sherbow?

DELEGATE SHERBOW: I go further. I wish to withdraw the rest of the amendment.

THE CHAIRMAN: The rest of the amendment is withdrawn.

Are there any further amendments to section 3.04, dealing with numbers?

Delegate Weidemeyer.

DELEGATE WEIDEMEYER: Mr. President, Members of the Convention, I have an amendment to section 3.04.

I would ask that you have the Clerk read the amendment. The letters on this are LB-1.

THE CHAIRMAN: The Clerk will read the amendment. This amendment now being distributed, please mark it as Amendment No. 10 by Delegate Weidemeyer.

READING CLERK: Amendment No. 10 to Committee Recommendation LB-1, by Delegate Weidemeyer: On page 1 line 24 of Committee Recommendation LB-1 strike out the words "one hundred five" and insert in lieu thereof the words "one hundred twenty"; and on page 2 lines 1 and 2 strike out the words "one-third the number of delegates" and insert in lieu thereof the following:

"fifty-two casting one hundred seventy-three votes. Each county shall be entitled to at least one senator casting one vote and each senator's vote weighted according to population with no one senator casting more than five votes subject to change in number of senators and number of votes to be cast per senator as population changes occur and as the General Assembly may provide."

THE CHAIRMAN: Delegate Weidemeyer, the Chair calls your attention to the fact that the first four lines of your amendment are incorrect. Section 3.04 has already been amended to substitute the numerals 120 in line 24. Do you desire to strike the first paragraph of your amendment?

DELEGATE WEIDEMEYER: Mr. President, I believe that concurs with the changes made this morning.

THE CHAIRMAN: The change has already been made.

DELEGATE WEIDEMEYER: Then I
