PLENARY SESSION

NOVEMBER 10, 1967—12:30 P.M.

**PRESIDENT H. VERNON ENEY,
PRESIDING**

THE PRESIDENT: The Convention will come to order. The Chair reports on behalf of the Committee of the Whole that it still has under consideration, Committee Recommendation LB-1, has not concluded its deliberation and desires leave to sit again.

Before we recess for lunch I have several things to call to your attention. There was distributed this morning Committee Report EB-1. This is a report that was introduced yesterday. This is a report that will be considered by the Committee of the Whole. It is not a committee recommendation and there is, therefore, no accompanying memorandum. There was also distributed to you a memorandum, dated July 1, 1966, by George Doub, Jr., a memorandum prepared for the Constitutional Convention Commission by a research assistant, copies heretofore given to all members of the Committee on Personal Rights and Preamble and copies of which have been in the library. Since this matter will be discussed on the floor next week, we thought it best to make copies of the memorandum available to all delegates.
