

cause delegates may wish to appear the same time as their county representatives.

I would respectfully ask that if there are to be any delegate proposals relating to local government, so far we have received none, that a delegate realizes he is going to require additional research or special hearing—of course, the ordinary proposal would not. It is something the committee is considering anyway, but if there is something, and I hesitate to use the term unusual, but if there is some unusual proposal coming in. I would appreciate this coming in soon so that we can get started with the necessary research and arrange special hearings if this is necessary. An example might be a proposal for a boundary commission or something like that.

Thank you, Mr. President.

THE PRESIDENT: Are there any announcements by other committee chairmen? Delegate Penniman?

DELEGATE PENNIMAN: Mr. President, I would like to say to the members of the Committee on Style that there will be a meeting on Wednesday of next week but prior to that meeting I would also like to suggest to each of them that they keep a file of such minutes and such notes as they may make which may be of assistance to the Committee on Style at the time that we are looking to the intent of the committee. I recognize that the change in Rule 28 [29], which requires a concise report, will be of considerable value to us but in addition to that, it may be of value if they maintain the minutes or retain the minutes of their meetings and any notes of their own which they may bring with them to our committee. Thank you.

THE PRESIDENT: Mr. Kiefer.

DELEGATE KIEFFER: I requested yesterday that the delegates get proposals into the Committee on Personal Rights and the Preamble. The request was a success. I see that more than half of the proposals submitted today were referred to our committee. We would emphasize that the more of these we could get as quickly as possible, the better we could organize our work. In view of the change of hours announced for the meeting of the Convention on Monday, there will be a meeting of the Preamble and Personal Rights Committee at 2:00 P.M. on Monday.

THE PRESIDENT: Delegate Sherbow.

DELEGATE SHERBOW: Mr. President, until the machinery for liaison with other

committees is completed and established, I would make this announcement for the State Taxation and Finance Committee. On Tuesday there will be a hearing dealing with the subject of state bond issues with the governor's task force director, Mr. Lauber, the state comptroller, and the state commissioner present as witnesses and on Wednesday representatives of financial institutions will be heard.

Those members of other committees whose work will also relate to this aspect of state government I hope will take note of these hearings and if interested, arrange to be present.

DELEGATE ADKINS: Mr. President.

THE PRESIDENT: Delegate Adkins.

DELEGATE ADKINS: The Committee on Executive Department will meet Monday following adjournment of the Convention session.

THE PRESIDENT: Delegate Koss.

DELEGATE KOSS: Mr. President, the Committee on Suffrage and Elections will meet at 10:00 A.M. on Monday as previously scheduled.

THE PRESIDENT: Any other announcements by the committee chairmen? Delegate Scanlan.

DELEGATE SCANLAN: The meeting of the Committee on Rules will be held immediately following adjournment of this session in the basement of the Shaw House to consider the proposal on lobbying, excused absences and a possible amendment with respect to the rule regarding reconsideration.

THE PRESIDENT: Delegate Hardwicke.

DELEGATE HARDWICKE: Mr. President, a point of inquiry: If we are going to have the meeting of the session at 4 o'clock on Monday afternoon, do you intend to change the time at which proposals can be put into the hopper? That is, will it be 12:00 noon on Monday also?

THE PRESIDENT: That had been the intention. If there is any feeling that there should be a little later hour, we could establish a later hour for the hopper rule, only on Mondays.

DELEGATE HARDWICKE: I would like to make the request that the time be 2:00 P.M. on Monday, if that is convenient for the staff.

THE PRESIDENT: All right. Then let me suggest that we amend the hopper rule
