^{Maryland Somerset County}
Whereas divers complaints have been lately made by J^m. Woodlands of
this County agt George Seaward of this County of divers misdemeanors
by the sd Seaward committed upon what although no warrant formerly
issued on the former complaint, yet I have taken pains to go to y^e house of
the sd Woodlands to enquire into the truth of the complaint and did there find

cause that the sd Seaward should either remove his quarters from Woodlands or put in good security
for his good behaviour where the sd Seaward formerly promised faithfully to perform upon J^m Woodlands
forwarning him of his house, yet notwithstanding the sd Woodlands Complaint that yesterday being y^e
21th of this Instant he the sd Seaward took and carried away the sd Woodlands' Wife against her Will

uously agt the Hon^{ble} Ma^{ty} authority doth and hath often dared him to complain, as he trusts me to do by
