JOHN H GODDARD.

Attested to and written by Henry Page, *Clerk*.

Beauchamp A. Wright, a witness produced on behalf of claimant, being duly sworn, answers and says, to the "Barren Creek" interrogatories:

To the first interrogatory:

A. Lived here 43 years and been a voter 21.

2d:

A. Did apply; Mr. Phillips, one of the Registers, told me when I applied, that he would administer the oath if I would swear to answer all the questions he would put to me. I told him I would answer part of the questions, but I would not answer all the questions put to me by a political convention; I was willing to take the constitutional oath; I was willing to take the oath prescribed for the Registers to administer, and which they were administering; they refused to administer the oath to me.

3d:

A. Did not vote; would have voted for Franklin.

Special interrogatory:

Had you or not any conversation with the Registers, touching any charge against you of any kind, and what they intended to do? if yea, state it.

A. I had with Mr. Phillips, one of the Registers; he said he intended on cutting the Democratic power. He had no other charge against me; this was not said to me in the room, but in private, but while he was Register.

Cross-examination:

Were you willing to take that part of the oath requiring you to answer all the questions put to you by the Officers of Registration?
