

NOTARIES PUBLIC are appointed for the several counties and Baltimore City by the Governor, with the consent of the Senate. They are required to be citizens of the United States, and to have resided in the State of Maryland for at least two years. The residence of the Notary is to be designated by the Governor in the commission. They hold office for a term of two years. The number of Notaries in the counties is fixed by the Governor and Senate at the session of the General Assembly next preceding the month of May in which their term of office begins, it being the number for each county nominated by the Governor and confirmed by the Senate. The number allowed in the City of Baltimore is one hundred and twenty-five. Notaries bond in the Baltimore City in the sum of six thousand dollars and in the counties in the sum of two thousand dollars.

SCHOOL COMMISSIONERS are appointed by the Governor, with the consent of the Senate, as follows: In the counties of Baltimore, Carroll, Frederick, Dorchester and Washington the Board consists of six members, and in the other counties of three. One-third of each Board are appointed for two years, one-third for four years and one-third for six years, and at the expiration of these terms of office the successor is appointed for six years, thus making one-third of each Board's members expire every two years. The Governor is also required to appoint one-third of each Board from the political party which at the last preceding election for Governor polled next to the highest number of votes in the State, thus securing minority representation on each Board.
