

NOTARIES PUBLIC are appointed for the several counties and Baltimore City by the Governor, with the consent of the Senate. They are required to be citizens of the United States, and to have resided in the State of Maryland for at least two years. The residence of the Notary is to be designated by the Governor in the commission. They hold office for a term of two years. The number of Notaries in the counties is not fixed by law, the Governor being authorized to appoint a number in his discretion. The number allowed in the City of Baltimore is two hundred and forty-five. Notaries bond in Baltimore City in the sum of six thousand dollars and in the counties in the sum of two thousand dollars.

SCHOOL COMMISSIONERS are appointed by the Governor, with the consent of the Senate, as follows: In the counties of Baltimore, Carroll, Frederick, Dorchester, Washington and Montgomery the Board consists of six members, and in the other counties of three. One-third of each Board are appointed for two years, one-third for four years and one-third for six years, and at the expiration of these terms of office the successor is appointed for six years, thus making one-third of each Board's members expire every two years. The Governor is also required to appoint one-third of each Board from the political party which at the last preceding election for Governor polled next to the highest number of votes in the State, thus securing minority representation on each Board.
