Maryland Institute for the Promotion of Mechanics' Arts, Mount Royal Avenue and Lanvale Street, Baltimore—Receives from State, \$15,000 for 1911 and \$15,000 for 1912. Furnishes one free scholar to be received from each county of the State and one from each legislative district of Baltimore city, to be selected by the School Commissioners of the counties and Baltimore city, respectively, upon the approval of the State Senator of each county and the legislative districts of Baltimore city. As each scholarship is for the period of four years, the number of pupils always in the schools under the contract is 108. We have a similar contract with the city of Baltimore for the education of free pupils. Other pupils pay the tuition fees required in the different classes, varying in the day school according to the course pursued, but in the night schools the standard fee is six dollars for the term of six months in the mechanical, architectural and free-hand classes alike.
