The paramount duty of the Dental Board, as provided by the Dental Practice Act of this State, is to regulate the practice of Dentistry in Maryland by testing the qualifications of candidates.

It requires that all applicants for license shall be twenty-one years of age and shall be graduates of dental colleges duly incorporated to grant degrees in Dental Surgery by the laws of one of the United States.

Two annual examinations are held—lasting two days each—one being in the month of May, the other in that of November. The examinations are both theoretical (written) and practical.

Each member of the Board is assigned certain subjects for examination and is allowed ten questions.

The written examinations comprise Anatomy, Physiology, Chemistry, Bacteriology, Oral Surgery, Pathology, Therapeutics, Materia Medica, Operative and Prosthetic Dentistry.
