The State Treasurer is elected by the General Assembly for a term of two years and appoints all officers in his office.

The Treasurer and Comptroller are the financial officers of the State. They issue all State loans authorized by the Legislature and pay the interest thereon. The Comptroller and Treasurer are members of the Board of Public Works, and the Treasurer is the custodian of all bonds and stocks which trust, fidelity, security and guaranty companies are required by law to deposit with him under the provisions of Chapter 194, Acts of the General Assembly, 1912; he also has charge of insurance of State property; he receives all money of the State and deposits same in banks approved by the Governor, said banks giving bond; and the accounts with said banks are balanced daily; he disburses State moneys upon warrant drawn by the Comptroller. All State bonds and certificates of debt are signed by the Treasurer, and with the Comptroller he is custodian of all stocks, bonds and other securities belonging to the State and held for the different sinking funds. He is also a member of the Board of State Canvassers. All trust, guaranty, loan and fidelity companies doing a certain business in Maryland are required to make a semi-annual report to him. The Treasurer renders quarterly reports to the Comptroller and publishes monthly reports of the State's balances.
