

It has been the custom for the Board to elect a Superintendent and the other employees including a manager, teachers, janitor, etc., are chosen by the Superintendent, with the approval of the Board of Directors.

Blind men and women are admitted to the workshop for training. It has been customary to pay the men a handicap of \$3.00 per week during the period of training. This amount, after one year, is gradually reduced and the workmen placed on a piece payment basis.

The Workshop is a training school for the adult blind of the State as well as a place of employment for those who have become trained workmen. It is, in no sense a home, as those under training or employment do not live there but go from their homes or boarding places each day, just as do seeing persons who work in factories, etc.

The building in which the shop operates was purchased by the Maryland School for the Blind at no cost to the State, the funds to pay for it having been raised by public subscription.
