Governor appoints six; two bi-ennially for a term of six years from the first Monday in May, from a list of nine practicing dentists furnished by the Maryland State Dental Association. (Bagby Code, Art. 32, Sec. 2.)

The paramount duty of the Dental Board, as provided by the Dental Practice Act of this State, is to regulate the practice of Denistry in Maryland by testing the qualifications of candidates.

It requires that all applicants for license shall be twenty-one years of age and shall be graduates of dental colleges duly incorporated to grant degrees in Dental Surgery by the laws of one of the United States.

Two annual examinations are held—lasting two days each—one being in the month of May, the other in that of November. Each applicant for examination files with the Secretary of the Board a sworn statement setting forth his age, name and address, college of graduation, etc., together with the examination fee of ten dollars.

The examinations are both theoretical (written) and practical.

Each member of the Board is assigned certain subjects for examination and is allowed ten questions.
