The Governor designates from the Justices of the Peace appointed for Baltimore City, one Judge and an Associate Judge of the Juvenile Court. (Ch. 41, 1910.)

The Juvenile Court of the City of Baltimore was created in 1902, at which time it is believed there were only two other Children's Courts in the United States.

It has exclusive jurisdiction over children under the age of 16 years and the general jurisdiction given by law to the Police Magistrates.

The powers conferred on the Court are very wide and ample for all purposes, being in fact all that the Legislature can grant under the restrictions of the Constitution.

The Court is in session from 10 A. M. each day, Sundays and legal holidays excepted.
