

The duty of this Board is to examine all applicants for license as "Master Electrician." No person, firm or corporation, is permitted by law to install, erect or repair electrical wiring, or conductors used for electric light, heat, or power until a license has been issued to them as a Master Electrician by the Board of Examiners after an examination according to the rules and regulations adopted by said Board.

Also, the Board has the right to adopt rules and regulations for the placing, installing and operating electrical wires, appliances, apparatus or construction in, upon or about buildings in the City of Baltimore. (See Sec. 4 of the Act.)

A brief resume of the work done by this department during the past year is as follows:

Number of licenses issued (new).....	83
Number of licenses issued (renewals).....	361
	444
Total for year.....	444
Revenue derived from fees.....	\$5,692.40
Interest on bank deposits.....	87.87
	\$5,780.27
Members' fees, rent, telephone, printing, etc.....	5,714.47
	\$65.80
Balance	\$65.80

The Board investigated 102 complaints against Master Electricians. Of this number 16 were required to go back and correct the defective electrical work installed by them, 8 licenses were revoked and 4 suspended for violation of rules.

During the year 205 applied for a license as Master Electrician, or as a representative under a license. Of this number, 182 reported and were examined by the Board.

Three applicants who were refused a license appealed their case to an Arbitration Board, as applied for under Sec. 6 of the Act. The Arbitration Board in each case upheld the decision of this Board.
