The Board of Managers consists of the Governor, Treasurer and Comptroller, and nine others. The General Assembly of 1922 repealed the original Act creating the Pine Bluff Sanatorium Board and in its stead created the Eastern Shore Tuberculosis Sanatorium.

The first appointments under the Act are made by the Governor alone, three for two years, three for four years, and three for six years from June 15, 1922. As these terms expire successors are appointed by the Governor, with the consent of the Senate, for the full term of six years from June 15. (Chapter 326, 1922.)
