Miss Persis K. Miller.....	Baltimore City .....	1926
Miss Annie T. Bond.....	Baltimore City .....	1926

Superintendent, Miss Susan E. Ellison.

The Governor, without the consent of the Senate, appoints a Board of Managers for the above institution consisting of fifteen members as follows: Five for two years, five for four years and five for six years from June 1st, 1918, and as these terms expire successors are appointed for the full term of six years.

Eight of the Board shall be women. (Ch. 303, 1918.)

In December, 1921, the property occupied by the School at Carey and Baker Streets was sold to the City of Baltimore for \$100,000. This transaction provided the means and opportunity of moving the institution to its recently acquired property at Montrose, Md., without further delay. This new site consists of 486 8-10 acres of land, more or less, and is ideally located for the changed character of the work which was so much desired. .

The main building, which has been on the property for several years, was converted into an administration building, which allows the executive offices to be taken care of, with the upper stories used for the inmates. The outside work on the grounds, including the water supply, sewage disposal, well for drinking water and the necessary piping to the different buildings was done at a total cost of \$11,217. On the property a structure has been erected at a cost of \$71,933 which will be used for the various phases of the work.

This Board supersedes the Board of Directors of the Maryland Industrial School for Girls, formerly the Female House of Refuge and is authorized to exercise all the powers and authority conferred upon that Board by Article 27 of the Code of Public General Laws.

This institution is for the care, reformation and instruction of such white girls, under the age of 18 years, as require the care of a public reformatory institution.
