Mr. Carmichael, Chairman of the Committee on the Judiciary, reported favorably a bill entitled, an Act to release the surety or the bond of Wm. Henry Waltemeyer,

Which was read a first time.

Mr. Magruder, from the Committee on the Judiciary, reported back the petition of Rich'd B. Posey and Geo. W. Carpenter, of Charles county, in reference to the rights of fishing on the Potomac River, and asked to be discharged from the further consideration of the same, as there are no petitions before them on that subject.

The report was concurred in and the Committee discharged.
