The Speaker laid before the House the following report of the Comptroller in response to an order of the House.

TREASURY DEPARTMENT,

COMPTROLLER'S OFFICE,

ANNAPOLIS, March 8, 1867.

To the Honorable, Oliver Miller,

Speaker of the House of Delegates :

SIR :—

In reply to an order passed by the House to-day, I have the honor to report that the nett receipts from the State wharves in Baltimore city, from November, 1852, to November, 1866, were not embraced in my statement of 20th ult., submitted to your honorable body.

The nett profits from this source, up to November, 1852, appear to have been applied to the redemption of the loan authorized by chapter 350 of 1835-6, which, together with the premium realized upon said loan, appear to have been ample for that purpose.

The General Assembly, in authorizing subsequent loans for the erection of tobacco warehouses, does not appear to have directed the application of the receipts from the State wharves to the redemption of said loans—hence they were not embraced in said statement.

The nett receipts from the State wharves from November, 1852, to November, 1866, were \$37,757.86.

Respectfully submitted.

WM. J. LEONARD,

Comptroller.
