NEGATIVE.

Messrs.

Williams,

Said bill was then returned to the Senate.

Mr. Carmichael, chairman Committee on the Judiciary, reported favorably, and without amendment, the Senate bill entitled an Act for the relief of judges or other civil magistrates of this State from counsel fees, monetary penalties and costs, which have been or may be incurred by reason of decisions rendered in obedience to the laws of this State, which are supposed to be in conflict with the Act of Congress known as the civil rights bill, or with any other Act of Congress ;

Which was read a second time.

On motion of Mr. Nicolai,
(The rules being suspended,)

Ordered, That it be entered upon the Journal of this House that the remark attributed by the public papers to have been made by a member of the Senate during the discussion in that body on the bill to restore burnt records for Baltimore county, "that the bill should pass, because it was endorsed by the Baltimore county delegation in the House," could not have been intended to include Mr. Nicolai, a delegate from said county, for the reason that, if he had been present when the bill was before the House, he would have voted against the bill.

The Secretary of the Senate returned the bill entitled, an Act to appropriate twenty-five thousand dollars for the erection of new buildings and the enlargement of the present buildings of the Maryland Penitentiary, for the accommodation of unemployed convicts, and to authorize the Governor to purchase ground adjacent to said penitentiary and to improve the same.

Also, the bill entitled, a supplement to the Acts of February 3, 1865, chapter 33, and March 14, 1865, chapter 106, relative to the payment of bounties to the heirs of deceased soldiers.

Also, the bill entitled, an Act to appropriate a sum of money to pay John W. Brashears, W. W. Quinn & Brother, David Fowler, B. F. M. Hurley, Lydia C. Ackworth, D. W.
