

1st Interrogatory. What is your age, occupation and residence?

Answer. I am 45 years of age; am a coal dealer, and reside in District No. 13, Allegany county, Md.

2d Interrogatory. Were you one of the Judges of election for District No. 13, at the election on the 6th of November last; to what political party do you belong?

Answer. I was one of the Judges at said election in District No. 13, and belonged to the Union or Radical party.

3d Interrogatory. When the polls were closed did you and your associate Judges publicly take the ballots out of the box and read distinctly and loud the name or names written and printed thereon respectively, and did the Clerks of said election carefully enter and keep an account of the same on the books of the polls, so that the number of votes for each candidate tallied thereon, could or might be readily cast up and known?

Answer. I selected the tickets from the box and after a careful examination, passed them to the hands of Mr. Koerner, one of the associate Judges, who read the leading names and announced it to be a full ticket for either party; after reading the full tickets, we read the split tickets, on which every name was read; the Clerks kept the poll books correct to the best of my knowledge and belief; I cannot tell the number of votes cast for each of the candidates for the Legislature, respectively.

4th Interrog. Are you positive of the number of ballots deceitfully folded together; could there not possibly have been a mistake made by the Clerks of the Election; how many deceitfully folded ballots are you positive were deposited?

Answer. I am not positive of the number of deceitfully folded tickets, but am positive there were three, and think there were three more. The clerks might possibly have made a mistake, but to the best of my knowledge and belief, the record was kept correctly—we threw out three double tickets.

5th Interrog. Were there any deceitfully folded Radical ticket?

Answer. There were none.
