

to. Their manner seemed to be angry and determined. I think this vote was received by the judges in consequence of the threats made.

GRIFFIN TWIGG.

James W. Farlow being sworn and examined by interrogatories, deposes and says :

1st Interrogatory. What is your age, occupation and residence?

Answer. I am 51 years old, a farmer and constable, and reside in District No. 7, Allegany county, Md.

2d Interrogatory. State what observations you heard made in regard to Griffin Twigg, the day after the election in November last.

Answer. The day after the election I heard Lawrence Crabtree say it was a fine thing for Griffin Twigg that he did leave the polls as soon as he did on election day, as he would have been beaten nearly to death. I also heard William Twigg remark, a day or two after the election, the same as Lawrence Crabtree did.

JAMES W. FARLOW.

Lloyd Stallings being sworn and examined by interrogatories, deposes and says :

1st Interrogatory. What is your age, occupation and residence?

Answer. I am 69 years of age, am a farmer, and reside in District No. 7, Allegany county, Md.

2d Interrogatory. Were you a judge of election in District No. 7, at the election in November last? State whether any threats were made to you, and if so, what they were, in relation to said election?

Answer. I was the return judge from District No. 7, in Allegany county, Md., at the election in November last. James Wilson said, on election morning at the opening of the polls, he came to vote and damned if he was'nt going to vote. The same party, later in the day, said if his vote had been rejected he would have taken the ballot-box, and dragged the judges out of the window. Wilson is a Democrat or Conservative, and so expressed himself at the time. I saw J. Wilson, John Carder and James Carder, who announced they were Democrats or Conservatives, use threatening menaces towards Griffin Twigg.
