WILLIAM HARVEY, being sworn and examined by interrogatories, deposes and says :

1st Interrog. What is your age, occupation and residence?

Answer. I am 62 years old, a farmer, and reside in District No. 10, Allegany county, Maryland.

2d Interrog. Did you attend the election in District No. 10 on 6th of November last; if so, did you see any armed men at the polls, and what use did they make of their arms, and what was their geneaal demeanor?

Answer. I attended the election in District No. 10 on the 6th of November last, and saw a number of armed men of both political parties. The Union men were armed with guns and pistols; the Conservatives with guns and clubs. Neither party made use of their arms and the election passed off as quietly as usual.

3d Interrog. Did you hear any persons say they had refused to take the oath required of them by the Judges; if so, who were they; what did they say?

Answer. I heard Henry Thompson say he had refused to take the oath because he had been registered; also, James F. Liller, William K. Kitzmiller, John Gower, Sr., and George Mossey stated the same.

4th Interrog. Do you know of any other matter that would be of advantage to the respondents?

Answer. At a religious meeting in District No. 10, on a Sabbath, three or four weeks previous to the election, persons from this District and from West Virginia had a disturbance and fight, caused by parties who had been in the Rebel army coming there. After that time threats came from the parties that they would come armed to the election in November last, and the Union men, to protect themselves, took their arms with them. The threats had been the general talk for a week or two before the election.

WILLIAM HARVEY.
