

Answer. I am 55 years old ; a farmer, and reside in District No. 10, Allegany county, Maryland ; I have lived there 21 years.

2d Interrog. Did you attend the election in your district on the 6th of November ; and did you see armed men there intimidating and preventing voters from voting ?

Answer. I attended the polls in my district and saw men armed with rifles, revolvers and clubs there, but I did not see them intimidate any one nor use their weapons in any way. Both political parties were armed. The election was a very quiet one. I was at the polls over three hours.

3d Interrog. Did you attend a religious meeting a short time before the election in November last ; if so, what passed there of a political character to disturb the meeting ?

Answer. I attended the meeting, several weeks before the election, at Ryan's Glades Meeting House, on Sabbath. There were six or seven men came riding up at the close of the meeting, of whom I can name Peter Chisholm, Walter Chisholm, Buck Mason, William Hoyer, and ——— Browning, four of which number had been in the Rebel army. These men and some of those in the Church had a fight, but I did not see the beginning of it.

Answer. I was associate Judge in District 15, at the last November election. There were two person's ballots rejected, because they would not take the Constitutional oath which the Judges desired or asked them to take. The reason we required them to take the oath before voting was, that I was creditably informed that the proper oath was not put to them by the register in 1866. The names of the parties whose votes were rejected were, John L. Browning and Ralph Browning. The oath we asked them to take was that found in section 4 of Article 1 of the Constitution of the State of
