

R E P O R T :

The Select Committee to whom was referred the Memorial of John de la Camp, Civil Engineer, relating to the Maps and Survey of the boundary line between Maryland and Virginia, beg to report.

Having maturely considered the Memorial, the several Acts of the General Assembly, relating thereto, and examined the Maps authorized by the Commissioners of the States of Maryland and Virginia, viz: Thos. J. Lee and Augus. W. McDonald, Esqrs.; as also the estimated cost of the completion of said Maps, and as also that of one general Map, embracing the whole survey of both lines, believe the granting of the prayer of the Memorialist will prove of the greatest importance to the interests of the State, and therefore recommend the adoption of the following order.

Respectfully submitted :

Ordered, That the Committee on Ways and Means have leave to report a Bill to appropriate the sum of \$2,000.00, say two thousand dollars, to be paid to John de la Camp, Civil Engineer, as compensation for the execution of the Maps herein referred to.
