

CHAPTER 202.

Passed Mar. 4, 1867. AN ACT to incorporate the "Maryland Fertilizing and Manufacturing Company."

Incorporation. SECTION 1. *Be it enacted by the General Assembly of Maryland,* That William Crichton, Charles J. Baker, William Trego, Lawrence Sangston, Jos. Rogers, Jr., Samuel G. Miles and such other persons as with them or in their place shall become stockholders in said corporation, their successors or assigns, be and are hereby created a body corporate and politic by the name and style of the "Maryland Fertilizing and Manufacturing Company," and by that name may sue and be sued, answer and defend in any Court of Law or of Equity, and may ordain and establish such by-laws, rules and regulations as shall appear necessary for conducting the concerns of such corporation, not contrary to the laws of this State or of the United States, and the same to change, alter and amend as they may deem proper, and may have and use a common seal and generally may do any act or thing necessary or proper to carry into effect the provisions of this Act and to promote the designs of the corporation.

May hold real estate. Sec. 2. *And be it enacted,* That the said corporation be and is hereby empowered to purchase, manufacture and sell all the various compounds used for fertilizing the soil, as well as the manufacture of the ingredients used in such compounds and such manufacture generally as the corporators may deem proper, and to acquire, have, hold and improve real estate or personal property from time to time, with the right to sell and dispose of the same as may from time to time be deemed expedient.

Capital stock. Sec. 3. *And be it enacted,* That the capital stock of said corporation shall not exceed five hundred thousand dollars, divided into shares of one hundred dollars each, to be subscribed for under the direction of a majority of the corporators named in this Act.
